

Farmington Sno-Tigers

The Farmington Sno-Tigers have been active in the local community for more than 40 years. Our Major responsibilities include maintaining the snowmobile trails in the area, and to educating snowmobilers on safe operation of their snowmobile on any trail. Members of the club donate numerous hours of volunteer time to build and repair bridges, clear brush and debris from trails, disc trails smooth where we can, and to mark trail routes and hazards. The Sno-Tigers maintain and groom 52 miles of snowmobile trails in the Farmington area. To promote safety on these trails the Sno-Tigers volunteer time to host snowmobile safety training for youth and adults. This training allows you to obtain your Snowmobile Safety Endorsement.

Mission Statement:
 Maintaining all trail systems within the Farmington Community while promoting the safety and enjoyment of snowmobiling in the surrounding communities. We also provide the classroom training and riding experience necessary to earn the MN DNR Safety Certifications.

Club members enjoy numerous fun activities throughout the year. Including several group rides to local and remote destinations. Often on good snow weekends you will find members at our warming shelter hosting **“Hot Dogs on the Trail,”** where you can stop in, warm up, roast free hot dogs, and share stories with fellow snowmobilers. Also don't miss out on our annual **Summer Picnic** and winter **Holiday Party** for members. For more information visit us at: www.farmingtonsnotigers.com or email farmingtonsnotigers@yahoo.com.
